
Suggestions for BMFC Carp Prize

Hey Guys,

We need to have a prize/pot for this contest, so what do you think of \$10 a head. The end of the year could net the winner something like a Shimano Baitrunner, Rod Pod, or Bite Alarm set.

Voting for the winner getting something corny, like a 'golden can of corn' trophy.

- 1 can of corn
- 1 can of gold spray paint
- 1 black permanent marker to write the words "CARPUS MAXIMUS"

Everyone pitches in \$0.10

should I change my name to 'frugal' ?
