Nice Coyote,

Mark and I took two deer last weekend, with the black powder. Mark left me and Kenndy to gut the deer and dress them. Kenndy gutted his first deer and did a pretty clean job of it.

Alaibi

jack that's incredible !!!!! tough animal to hunt with a bow!!!!!! imagine if deer could see in color and have very sharp vision 2boot!!!!!!

kick ass i know it's ben awhile i aint got it all figured out????????????????????
