
Deer Crossing

Posted by Jack - 2008/09/27 19:05

From Kearneysville:

I live near a deer crossing and they keep getting hit. The county should move the deer crossing sign somewhere else. It is too dangerous for the deer to cross where it is now.

As seen in the journal here: <http://journal-news.net/page/content.detail/id/508869.html>
