

## Cookies Catfish Outing

Cookie Schools us on the Finer art of Monster Potomac Catfish

Well we got some results on this trip. There are tricks to get these big boys and Cookie has got the technique down. Even got into a school of small striper. Such a strange thing to be fishing near DC, the smells, sounds and sights are so incongruous with most of my fishing experiences. But those big Cats seem to like the waters round our capitol. So the first pics of the 2010 season are up. Make sure you click on the read more link.
